## The FCR and conformation

The **Axiom Piétrain** offspring are easy to manage in post-weaning and fattening. They adapt to all types of feed and produce pigs that are homogeneous and very muscular, at low production costs.

**CERTIFIED 99% BOAR TAIN FREE**

# PIÉTRAIN

AXIOM

**THE GUARANTEE OF THE BEST  
CARCASS AND YIELD ON THE MARKET**

## FEED CONVERSION RATIO

Excellent FCR

## CARCASS

Very high yield

Homogeneous pigs with superior conformation

Excellent muscle %

## FATTENING BENEFITS

Easy to manage

Suitable for all types of feed

## A REDUCED PRODUCTION COST
